

Loxley Junction Working Group members

Chairman and Vice Chairman of Kingstone Parish Council
Chairman and Vice Chairman of Uttoxeter Rural Parish Council (URPC)
Clerks from both Parish Councils

Frame of Reference:

The working group will meet, if needed, between full Council meetings and review the requests from residents regarding the Junction and plans/outline design schemes from Staffordshire County Council Highways Team. The Working Group will make recommendations to the full Council at the next Parish Council meeting.

The working group can invite parish residents to join the group, clerks to be informed so can add to circulation list.

The Working Group are not authorised/have no power, to discuss with any outside bodies/higher authorities, any ideas developed within the working group, without a resolution from the full Parish Council.

Notes of Working Group

Notes of each Working Group will be taken by either of the Clerks and will be circulated to the respective Councillors/members of the Working Group, then to full Council before the next Parish Council meeting.

Press/Social Media

The Working Group will recommend press releases/social media posts to the next full Council meeting. Clerks to liaise regarding timing of the issuing of any press releases/social media posts.
