Small Habitats Grants Programme...

Through delivery of the ERDF Small Habitats Grants Programme we are enabling a greener GBSLEP. Through the programme eligible organisations from across the GBSLEP area will be able to deliver green and blue infrastructure improvements at a smaller scale. The overall aim of the programme is to improve 20 hectares of land and habitat improvement.

Who can apply?

To apply for a grant from the Habitats Grants Programme your organisation must be one of the following:

- Charity
- Statutory organisation
- Not-for-profit organisation
- Community or voluntary organisation
- Parish or Town Council
- Business – if the land is open to public all year round
- Schools – if the land is open to public all year round

The documents you need differ depending on what sort of organisation:

- Community organisation - A copy of your governing document / constitution / terms of reference
- Registered charity - Your charity number
- Business – Latest set of accounts

Who can't apply

- Farms
- Individuals
- Schools (if the land isn't wholly open to the public all year round)

Eligibility...

To be eligible for a grant the land that your project is improving should be located in the GBSLEP (Greater Birmingham and Solihull Local Enterprise Partnership) area, although your organisation can be based elsewhere.

The GBSLEP is made up of the following areas:

Birmingham, Solihull, Cannock, East Staffs, Lichfield, Tamworth, Wyre Forest, Redditch and Bromsgrove.

We are looking for projects which might include the following:

- Grassland creation
- Woodland improvement
- Wildflower seeding
- Wetland improvement
- Access improvements through land that was also being improved
- Hedgerow planting
- Tree planting
- Planting of native species
- River Restoration

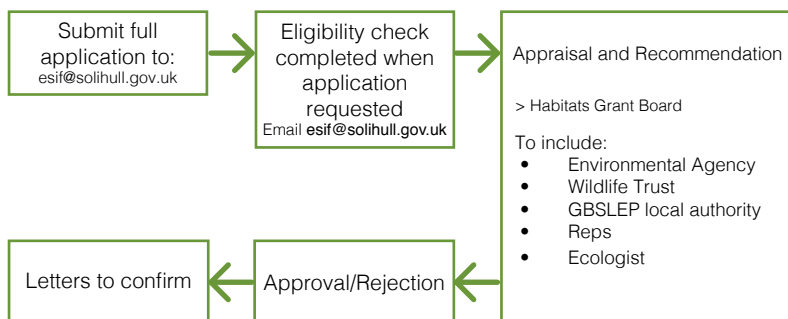

We are not looking for:

- Formal planting schemes
- Installation of recreational facilities
- Installation of football pitches

A grant will only be given for land which our ecologist can verify has been improved for people and wildlife.

Projects will only be funded where the land is open to the public and where people are free to enter and enjoy the space.
