COVID-19 residents survey

About the campaign

The COVID-19 residents survey will go out to citizens in Staffordshire to gather their thoughts and share what has been their experience of COVID so far and what the future priorities should be. We will be using social media, internal communications and email marketing to encourage completion. We are aiming to receive 1000+ responses.

We will be looking gain insight into:

- How the pandemic has impacted the people of Staffordshire – both negatively and positively.
- Views and opinions on both individual/household priorities as we emerge from lockdown, and priorities for the local area.
